Chuy & Maria Davalos, serving at Rancho Agua Viva, Ensenada, Mexico

God has richly blessed us with an abundance of students, hard-working staff and dedicated professors for the work He has called us to do. It will be just like Him to answer a God-sized task with an abundant response, won't it?! The following is a list of areas where our students earnestly solicit your prayers: application of lessons to ministry, energy for the task when they return to their village, travel back and forth, support for their churches in their absence, and provision for their families in their absence.
